

THE BIRTHDAY

Once upon a time in Indore, our hero Chayan Kumar Patodi believed life's secret was "Suit up, wing it, and never skip leg day"-even if he often did. He worships SRK's romance, Shraddha's smile, and Barney's "True Story" swagger, treating How I Met Your Mother like sacred scripture.

So for his 27th, we're rolling out the red carpet-Bollywood-meets-Bro Code style. Expect a mashup of epic dances, high-speed McLaren vibes, and enough drama to rival a season finale. Tonight, Chayan isn't just a guest-he's the leading man of his own blockbuster.
